Truly I tell you, if you have **faith as small as a mustard seed**, you can say to this mountain, 'Move from here to there,' and it will move. **Nothing will be impossible for you.**

Setter Vision Success Stories

My partnership with Setter Vision began with prayer, vision for my future, and lots of goals. As a 2027 Setter/RS from Edmond, Oklahoma, I had a dream of playing volleyball in college where I could study in a Christ centered environment, play for a great coach, and compete alongside really great collegiate athletes. Because of my relationship with Jesus, glorifying God throughout the recruiting process was a priority but I also wanted to receive wisdom, guidance, and recruiting leadership from someone I could trust. Jon Enns and his team at Setter Vision were an answer to prayer. Through their leadership, friendship, expertise, and stellar graphic/video skills, I committed to Palm Beach Atlantic University in August of this year.

Avery Lafferty – 2027

Jon walked the journey with me from the beginning. He was available to me by text, he called and checked in often, and used his vast network to help me process the opportunities before me. Recruiting during club season felt like an extended try out where you never really knew if you were or weren't what a college was looking for.

Thankfully, with Jon's presence and consistent reminders about my why and keeping my long term goals in focus, enduring the long road of emails, assessments, conversations, and camp invites became like identifying pieces of a puzzle that I knew God was putting together just for me. I cannot wait to play volleyball at PBA and continue my education while also serving God and growing in my faith. I am so grateful to Jon and Setter Vision for the role they played in my commitment and collegiate future! Roll 'Fish!
