## Cole & Jude Stroup – DNA Volleyball

Cole and Jude Stroup played volleyball for the first time in middle school in 7th grade. In 8th grade they received some excellent instruction and training from a family friend. The boys were getting the itch to play more volleyball, but the middle school seasons were short with only six weeks each time.

Multiple coaches and referees during their 8th grade year encouraged them to find a club to join and were directed to DNA Volleyball based in Naples, FL. After joining in January 2025, they haven't looked back.

Now, with almost a full year under their belt, they are looking forward to the upcoming season. Cole and Jude are entering their 2<sup>nd</sup> season with DNA playing on the top 16s team. The boys look forward to leading their team into tournaments throughout 2026 in Florida as well as Louisville, Pittsburgh, and Boston.

Cole and Jude's goal is to grow in their faith and volleyball skills each day while trying to point everyone they meet toward Jesus and helping their team compete in the season ahead!

## Kaylee Ballard – Dynasty Volleyball

5'11 - OH

My collaboration with Setter Vision began as I merged my faith, my goals, and the desire to be a part of a community who helped me prioritize my relationship with God. I was a competitive cheerleader for 10 years and loved it; but when I faced a severe injury, the amount of downtime and trial of different sports was the start of my spiritual turning point and I pursued volleyball. Now, I am a 2028 OH from Leawood, Kansas.

After my rigorous journey of recovery and experiences with new sports, I found that volleyball suited me best and allowed me to share my faith with others. I found a healthier mindset which allowed me to honor God through my sport.

One thing that has helped me tremendously in my walk with God in volleyball is acknowledging that he has blessed me with the opportunity to play volleyball, so I should take advantage of my blessing by using it to glorify Him. Because I started playing volleyball later than most, I have faced lots of adversity, but my faith has been strengthened through it all and that is what makes me who I am today as a player AND as a person.

Fortunately, Setter Vision has been by my side with constant encouragement and reminders about not only what I play for, but WHO I play for. They've helped me realize that every game, every practice, every rep, is an opportunity to share my faith with others. Their support has reminded me that I'm a part of something bigger than myself. Setter Vision has helped me piece together my journey, and for that I am so thankful!
